OFFICE OF THE EXECUTIVE ENGINEER, WATER SUPPLY DIVISION, BANGALORE.

Notification dated 23rd August 1938.

It is hereby notified for the information of the public that the building and other materials, as per details published below, will be sold in public auction in the premises of the Water Supply Office, near the Modern Hindu Hotel, Seshadri Road, Bangalore City, on Monday the 12th December 1938 between 9 A.M. and 12 NOON.

The materials may be inspected between 11 A.M. and 5 P.M. during working days.

Terms and conditions of sale.

1. The articles will be auctioned in lots and will be knocked down to the highest bidder and in the event of any dispute arising between two or more bidders at the same price, the articles shall be put up again for auction and resold.

2. The highest bidder whose offer is approved shall pay up 25 per cent of the sale amount at once if the full amount cannot be paid immediately, and the balance should be paid in cash before taking delivery of the materials from our yard. The materials sold should be removed on the same day before 5 P.M.

3. In case of failure to pay up the balance as per para 2 *supra*, the articles shall be re-auctioned at the risk of the first successful bidder and any loss sustained thereby should be reimbursed by the defaulter, but he is not entitled to any profit that might accrue in the re-auction.

4. The highest bidder shall ordinarily be the purchaser but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason therefor.

5. Immediately after the material is knocked down, the successful bidder shall sign his name opposite the number and specification of the material bought by him in a Sale List provided for the purpose. Such signature shall be held as admission on his part of having bought such materials and of having accepted the terms of the sale.

6. In all matters of dispute, the decision of the Chief Engineer shall be final and legally binding.

7. Messrs. Parr & Co., Auctioneers and Commission Agents, South Parade, Bangalore, will conduct the auction.

V. GANESHA IYER,
Executive Engineer.

BUREAU OF SANITARY ENGINEERING, BANGALORE.

Notification dated 11th November 1938.

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 1 P.M. on 1st December 1938, for the work of laying underground drainage arrangements to Channapatna Town Bazaar Street. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of March 1939.

2. The plans, detailed estimate and conditions may be seen at the Sanitary Engineer's Office between the hours of 11 A.M. and 5 P.M on all office days.

3. Tenders should be submitted on printed forms which may be obtained from the Sanitary Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 362 in cash (no cheques will be accepted) as earnest money, and be superscribed " Tender for the work of laying underground drainage arrangements to Channapatna Town Bazaar Street." in default of which the tenders will be rejected.

5. The final acceptance of the tender will rest with the Sanitary Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Charges on account of scaffolding materials, implements for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately but should be borne by the contractor.
